Support: 2015 Silent Auction

You have the Power!

NHWSO awarded five (5) scholarships totaling \$8,000 in 2014. YOU have the power to determine the size and number of scholarships we award this year by supporting the NHWSO Silent Auction either as a donor or a buyer --- or better yet, as both!

The annual silent auction is the primary fundraiser for our scholarships. Money raised in the silent auction will determine how much we can award to those students. We want to make as many awards as possible.

Founded 35 years ago, NHWSO has presented \$182,500 in scholarships to young people in the Holstein community. We have assisted 155 students work toward graduate and undergraduate degrees. Our recipients have gone in to promising careers in the dairy industry.

Please donate an item valued at \$25.00, or more, to the silent auction. Popular items have been crafts, ag-industry products, gift baskets, quilts, art work, collectibles, and dairy antiques. We like to have something for everyone, and we welcome anything you think would sell well at this exciting fun event.

You can bring your items to Marsalis II, at Pheasant Run, during auction set up between 9:00AM and 4:00PM, Wednesday, June 24, or by 9:00 AM, on Thursday, June 25. On June 22 and 23, items can be left at the Convention Registration desk.

Thank you for continuing to support our Holstein young people!!

Not attending the Convention!!

Announcing Juniors-Only Raffle of an Apple Watch

A Junior Holstein member will be among the first to own one of the new Apple Watches. A Juniors-only raffle during the NHWSO Silent Auction will feature an Apple Sport Watch thanks to a generous sponsor. Valued at \$349, the Watch configures an entire computer system in a single chip, an industry first, representing a singular feat of engineering and miniaturization.

Tickets will be sold Thursday and Friday during the

Silent Auction in Marsalis Room II, and will be available at kid-friendly prices — \$1 each, 3 for \$5, or an “arms-length” for \$10. Winner will be drawn Friday afternoon at 3:30 PM. The winner will receive a gift certificate/card for the watch that can be redeemed at the online Apple Store or at an Apple retail store. If the lucky winner is not present at the drawing their certificate will be sent to them electronically or by mail.
